PRIVACY POLICY

1. What regulates this Privacy Policy?
This Privacy Policy is intended to inform the user who downloads the application about who we are , what kind of personal data we request of him/her, on which we perform a treatment, what type of data stored on your device do we access to, with what purpose, User's rights and in which cases the data can be transmitted and / or accessed by third parties.

2. Who is the developer of the WOOOTRIP application?
The WOOOTRIP S.L. company with CIF B-66400730 and registered office at Paseo Manuel Girona 17th floor 7, door 2, 08034 Barcelona, website www.woootrip.com URL and email address info@woootrip.com has the purpose of conducting the management, development, exploitation of software applications and providing services for users of electronic and mobile devices (hereinafter the Company or WOOOTRIP indistinctly) and where you can be contacted for any queries about the functioning of the application.

3. What is the purpose of the WOOOTRIP application?
WOOOTRIP is an application for adult travelers (companies and / or individuals) that allows users to exchange travel experiences, with the possibility of making recommendations and chatting with each other regardless of the chosen Route Plan.

WOOOTRIP aims to become the reference travel app on the market that allows users to share travel experiences amongst each other by providing its own personal space.

The application will be available to the public by downloading it free of cost in the main App Stores such as Google Play, App Store, so, there will be no need to register in order to display the general contents. With the proviso that if you do not register, you can not create your own user profile on the application, and that the Wooopin, the entering a text into a city wall, or starting a private chat with another user options, will be disabled. To access the full functionality of the application you will need to register.

If you want to access services offered by the application for registered Users, you must be 13 years old, or older and your

registration will be necessary by carefully reading all notices you receive and accepting our Privacy Policy. If you want to access services offered by the application in Spain you must be 14 years old or older in order to comply with the applicable national legislation.

4. Which terms and conditions must I know and comply when I download the application?
The accessing and viewing of the contents of the application and its use, grant you the condition of user. It is mandatory as a User to read carefully and understand the Terms and Conditions of Access and Use of the application, Privacy Policy and WOOOTRIP Community Standards, that form a set of terms and conditions governing the permitted and prohibited activities in the access and use of the application, its contents and its services.

Be warned that access and use by the User of the content and services offered by the application constitutes acceptance of the Access and Use Terms, the Privacy Policy and the WOOOTRIP Rules published at the time in which he User downloads the application.

We inform you that when you facilitate personal details for registration, you must check OK in the Privacy Policy box, meaning that you give your free, specific and informed consent for the accessing and processing of personal data in accordance to the Privacy Policy published at the time of registration.

5. What type of information do we require from you in order to Register?
You can register and / or sign up directly in our application using the functionality of email registration or by creating your own user profile or through the Loguin Social, ie, using data from accessing your account in certain social networks and / or email accounts open at certain search engines such as Facebook or Google+.

By signing up by email registration you will directly provide us with the following information:
Name and surname
The email
Optional image
The Username and / or Nickname with which you want to be known by other registered users.

Age to verify that you are more than 13 years old, which you should provide by editing your profile; as if you are younger, you will need parental permission in order to register. Do not provide any personal information if you are under 13 years of age. In the case of a Spanish user registration required age is 14 years old. Geolocation data: in order to offer the services associated with the application we need to know the mobile device location as well as your geolocation data. We will use this data every time you open and use the application, and interact with it on your mobile device. This information will place you in a certain city location so that other users can see it and start a conversation with you. Your geolocation data will only be accessible while you are using the application and will only be shared with other users while performing the Wooop-in function in the application, which requires a voluntary action. In order for us to provide certain services you must enable the backround Location, which will offer you information about plans near you, friends, and will inform us of the location of your device even when you are not interacting directly with the application. The technologies that allow us geolocation are based on the GPS mobile sensor and on wireless (Wifi) access points.

By default, in order to use the application, GPS mobile sensor must be activated, you will be notified at all times that it is enabled, so that it can be deactivated whenever you wish. This may limit or prevent certain Application Services.

WOOOTRIP shall not share your location, email address nor your full name with other users, nor display them publicly, unless you specifically decide to do so.

On signing up, through access data using a social network and / or a third party (eg Facebook, Google+) we will request the following information:

Age to verify that you are more than 13 years old as if you are younger you will need parental permission to register
The email you used on the network and / or search engine
The password you use to login to access the network and / or email account in the search engine
The name / nickname with which you wish to be known by other registered users.
Language

In order to offer the services associated with the application we need to know the mobile device location as well as your geolocation data. We will use this data every time you open and use the application, and interact with it on your mobile device. This information will place you in a certain city location so that other users can see it and start a conversation with you. Your geolocation data will only be accessible while you are using the application and will only be shared with other users while performing the Wooop-in function in the application, which requires a voluntary action. In order for us to provide certain services you must enable the backround Location, which will offer you information about plans near you, friends, and will inform us of the location of your device even when you are not interacting directly with the application. The technologies that allow us geolocation are based on the GPS mobile sensor and on wireless (Wifi) access points.

All these data are mandatory and necessary for the proper functioning of the application and Services and if they are not provided you will not be considered a Registered User and will not be able to enjoy all the amenities.

You can only authenticate and / or register on our application through a social network and / or account on search engine if you are more than 13 years old, for Spanish users the required age is 14 years old, and have read, understood and accepted our Privacy Policy .

Our Company will not be liable at any time for false and inaccurate statements regarding the age of users at the time of opening their account on the social network and / or email account in a search engine.

6. Must you provide your real personal details?
The information you provide for registration must be real, accurate and updated and false statements must never be implemented in relation to age. WOOOOTRIP may, at any time conduct random age verification checks, and if user does not comply with the requested standards, may remove him /her as a registered user.

The Nickname or username that you use to complete the WOOOTRIP registered user profile should not be associated with your real name and last name so that you can not be easily

identified, nor with trade names and / or registered third party trademarks, nor names of reknowned artists.

The image set as optional field used to login to your registered user profile should not correspond to a real image and / or actual photograph of yourself, nor with pictures of third party trademarks, or reknowned artists, having the option of the use of avatars.

The Company can not assume any responsibility for the personal information that the User voluntarily chooses to submit and that personally identifias him / her.

7. With what purpose do we use the personal information provided to us?
The data you freely and volutarily provide us will be used for the purpose of:
- Enabling full functionality of the application and providing the services requested and / or personalized online activities, if any.
- Managing the relationship with Registered users creating, configuring and managing the registered user's profile.
- Engineering a system of private messaging between registered users, that can send and receive messages without any of those involved knowing the actual contact details of the other.
- Informing about the outcome of contests, management and delivery of gifts, and recording and publishing the name and surnames of winners previously contacted by email and / or notifications, on the WOOOTRIP Site. Using push notifications the result is communicated to all users simultaneously. For sending push notifications the www.parse.com service is used.
- Informing you by email and / or by sending newsletter notifications about the latest developments implemented by WOOOTRIP and changes in legal notices.
-Adapting Services to user's needs and to developing new related features, as well as follow-ups on the use of the application involving monitoring application tasks (downloads, positioning and user behavior).
- Verifying that the Terms and Conditions are met by Registered Users.
- Managing any complaint we may receive from Registered Users related to the application.
- Sending commercial communications by email, sms and / or equivalent media related to application services. If you do not wish to receive advertising send an email to info@woootrip.com. You

can disable the receipt of notifications from your mobile device at any time.

User's personal data are deemed true, accurate, complete and updated and will be part of a WOOOTRIP SL file with address at Paseo Manuel Girona number 17 floor 7, door 2, 08034 and User shall be solely liable for damages arising from false, inaccurate, incomplete or outdated statements from User.

When using the Services, WOOOTRIP may automatically collect certain information that will be treated globally and as non-personal information such as browser information or the mobile platform, location, IP address, performance information, and application and device identifier, information on storage devices, data retrieval or the like.

8. What additional information can be requested and / accessed by the application developer when it is made available to the user via app stores?

In some cases we will ask permission to access specific information previously stored on your device: MUST SPECIFY IN EACH FIELD THAT IS ACCESSED

Detailed history of applications so that the application can do one or more of these data (information on the activity of the device, applications that are running, browsing history and bookmarks).
Connection Status on the Internet.
Identity (device accounts, profile data). Facebook and Google+Access for registration.
Device location (use the device location) Geolocation user.
Photos, multimedia files (using one or more files on the device, images, video or audio, or external storage device). Access to pictures.
Wifi (allows the app to view information on Wifi connections). Internet connection via Wifi.

At any time you may revoke consent to the permissions requested by the application to manage your data concerning your identity, contacts, location, photos, multimedia files, wifi connection information, sole device identifier, by unloading the application.

9. Can third parties access your personal information?
It is possible that because of the provision of a service to

WOOOTRIP third parties may have access to personal information or other information that does not allow identification such as platforms that enable application integration, application stores, marketing agencies, analytical service suppliers, market research providers, in order to measure the successful implementation of the app, both at downloading and positioning, and also user behavior.

WOOOTRIP can delete the Registered User's profile and the stored information, and deny access to the application, as well as disclose personal user information when:
Breach of the application's legal terms and conditions has been detected or suspected
when your registration information is false and / or we have suspicions that user is under-age to register.
when asked by a judge and / or a competent authority or to in order to comply with the law
when the Company is sold to a third party
when the application becomes inoperative for reasons beyond our control

10. What security measures are adopted in relation to the processing of personal data?
WOOOTRIP shall maintain the duty of secrecy regarding the personal data that we have been provided and this shall not be communicated to third parties without your consent.

WOOOTRIP take all measures that are within our technical and organizational reach to ensure the security of personal data and avoid its alteration, loss, and /or unauthorized processing access.

Please note that all information you send to us voluntarily and that is stored in your Registered User's profile is protected by dedicated servers to which only we have access. User data are stored in www.parse.com.

11. Where should User be directed to access, rectify, cancel and / or modify personal data?
In order to access, rectify, cancel and / or modify personal information User should be directed to the WOOOTRIP SL Company address in Paseo Manuel Girona 17, Barcelona 7floor, door 2, Zip Code 08034 and email ; info@woootrip.com adding in the subject, specifying what you want and attaching a photocopy

of scanned or faxed ID (identification number). You can update your personal information by visiting and editing your user profile.

12. Can I delete my account?

I can delete my account at any time. For that purpose I must send an email to info@woootrip.com and it must be manually deleted from www.parse.com.

13. What kind of third parties share information with us?
In order to improve services and personalization, we may periodically obtain information about you from other independent third-party sources from which we have legally obtained this information, adding it to the one shown in your record. It is important that you carefully read the legal notices regarding what information these third parties such as Facebook, Google+ can share with their partners, developers and which information is of public nature and accessible to everyone.

If you access our application through Facebook, Google+ and decide to register with us, they might require for us to submit part or all of your registration information. We will only do this in accordance with this Privacy Policy, but we can not control how third parties use the information. If you have any questions regarding the third party privacy policy, you should review it before providing ur your information.

14. What information about me can the rest of WOOOTRIP users see?
It is possible that there is certain information of mine that will be public for the rest of WOOOTRIP users so User can choose to set user profile to be more or less private. When you decide to start a Chat by using the chat feature, you can access a user's profile in which he displays: the name, profile picture, age, gender, city and country to which user belongs and whether user has Woooped-in where user is staying and for how long. All these data will be public.

15. Can you change the Privacy Policy?
This Privacy Policy may be modified at any time for technical reasons, safety and legality. Modifications are made public through notices on the Company website or by sending an email to your registered user account notifying that the Privacy Policy has been

updated accordingly. Once produced modifications, access and application usage imply acceptance. We recommend that you periodically review the terms and conditions governing access to and use of the application.

16. Are cookies or similar devices used?
Cookies used by our company are generic cookies of technical nature, customization, security and third party cookies, analytical and monitoring ones that allow us to obtain information about downloads and uses, user behavior, and positioning of the application . For more information about cookies and how to disable them please read our Cookie Policy.
